CATFISH - The hungry cat looks for a fish
Player starts at the left
Rules depend on what square type is landed on:-
White square - next roll means you continue to the right
Red square - next roll means you continue up
Blue square - next roll means you continue down
Black square - you fell into a hole , game over.
F square - you found the fish , delicious!
If dice roll value exceeds the available squares just go as far as you can
